14	Before the court is the parties' Joint Motion for Order of Discharge Pursuant to Title 18
15	United States Code Section 4243(f) ¹ . The parties move the court for entry of an order of
16	unconditional discharge based upon the following reasons.
17	First, it is the opinion of the treating psychologist and the executive director of the entity
18	providing psychological services that Dr. Stokes "is functioning at an extremely high level at the
19	present time and is capable and competent to manage his own affairs. That is, in financial,
20	business, social, and professional areas, Dr. Stokes is at a level commensurate with his age and
21	expected stature in the community."
22	Second, it is the recommendation of the treating psychiatrist, whose medical care Dr.
23	Stokes has been under during his conditional release pursuant to 18 U.S.C. § 4243(f)(2), that Dr.
24	Stokes has recovered from his mental disease or defect to such an extent that would support
25	immediate discharge.
26	Third, Dr. Stokes, with the assistance of counsel, has followed through and obtained the
27	dismissal of the pending Nevada state court charges which arose during the time period set forth
